

# Writer's Workbench

## Purchase Writer's Workbench for Home Use

Requires Microsoft® Word 2007 – Word '97  
running on Windows Vista – Windows '95

Students, you now have the opportunity to use  
Writer's Workbench® not only in your school's computer  
lab but also on your home computers!

In addition to supporting you in the preparation of your current  
writing assignments, Writer's Workbench will help you prepare  
for the writing portion of the SAT, ACT, and state tests and will  
assist you in writing effective personal statements for college  
entrance applications.
