INTRODUCTION

EMO Solutions, Inc. may use cookies when you visit our website wwbonline.net, including any other media form, media channel, or mobile website related or connected thereto (collectively, the "Site") to help customize the Site and improve your experience.

We reserve the right to make changes to this Cookie Policy at any time and for any reason. We will alert you about any changes by updating the "Last Updated" date of this Cookie Policy. Any changes or modifications will be effective immediately upon posting the updated Cookie Policy on the Site, and you waive the right to receive specific notice of each such change or modification.

You are encouraged to periodically review this Cookie Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Cookie Policy by your continued use of the Site after the date such revised Cookie Policy is posted.

This Cookie Policy was created using [Termly's Cookie Consent Manager](#).

USE OF COOKIES

A "cookie" is a string of information which assigns you a unique identifier that we store on your computer. Your browser then provides that unique identifier to use each time you submit a query to the Site. We use cookies on the Site to, among other things, keep you logged into the Site, facilitate purchase procedures, and authenticate that you are allowed to use our product, and add protection to prevent you from being exploited while on our site. Cookies may eventually be used to help us understand how the Site is being used and improve your user experience.

TYPES OF COOKIES

The following types of cookies may be used when you visit the Site:

Essential/Functionality Cookies (3):

Our cookies are “first-party cookies”, and can be either permanent or temporary. These are necessary cookies, without which the Site won't work properly or be able to provide certain features and functionalities. Some of these may be manually disabled in your browser, but may affect the functionality of the Site.
